Taste of Home Holiday & Celebrations 2009 Taste of Home

I bought a lot of these cookbooks on Amazon. I always find many recipes I want to try in each book. I probably went overboard and did not need to buy as many as I did - but that's just me. Some of the cookbooks were used (actually most of them were) and they all arrived in very good condition. A good book to look through for the holidays. And sometimes you can find some neat and unusual presentation ideas.
