The Essential Clive Barker CLIVE BARKER

With a special introduction by Armistead Maupin, author of *Tales of the City*, this is a unique selection of the author's best short stories and extracts from his novels, chosen by Clive and accompanied by a personal commentary which reveals the man behind the art. Huge in scope, this unique collection examines the work of a man who has taken us further than any other writer of modern fiction: from the fantastic lands of *The Fugue* (Weaveworld) and the *Dominions* (Imajica) to the uncharted waters of the dream sea, *Quiddity* (*The Great and Secret Show* and *Everville*). His peerless imagination has only been matched by both his storytelling - from the groundbreaking series of short stories, the *Books of Blood*, which served as a wake-up call to a floundering horror industry, to the grand metaphysical vision of *Galilee* - and his ability to create memorable characters such as Will Rabjohns (*Sacrament*), Shadwell the salesman (*Weaveworld*) and Judith (*Imajica*). A unique project by a unique author, *The Essential Clive Barker* will appeal both to long-time fans of his work, and anyone with an interest in great fiction.
