Ed Vulliamy

Amexica: War Along the Borderline Ed Vulliamy

With a New Afterword

In 2009, Ed Vulliamy traveled two thousand miles along the frontier from the Pacific coast to the Gulf of Mexico, and from Tijuana to Matamoros, a journey through a kaleidoscopic landscape of corruption and all-out civil war. He describes in revelatory detail the dreaded narco gangs; the smuggling of people, weapons, and illegal drugs; and the interrelated economies of drugs and the ruthless, systematic murder of young women in Ciudad Juarez. *Amexica* takes us far beyond today's headlines. It is a street-level portrait, by turns horrific and sublime, of a place and people in a time of war as much as of the war itself, "an impressively rendered, nightmare-inducing account" (*Kirkus Reviews*, Top 25 Books of 2010).
