Dr. Seidel is a master of creating highly imaginative characters that are both enjoyable and educational to children of any background. He has produced a long list of children's books and has also written several parenting manuals. Dr. Seidel is actually Dr. Paul Seidel. He's a famous German pediatrician who migrated to America in 1989 with his wife, Clarice, and their 4 children to pursue his dream of being a cartoonist. While he was struggling to find a publisher for his cartoons, he continued to practice his profession and was gaining much success as a pediatrician. Then he caught his big break when he started to make educational cartoons and showed some of his work to a patient's parent who owned a publishing company. A deal was closed and his work gained massive public approval. He has since then continued to create a number of storybook characters and have elevated to writing books about proper parenting. Today, he still writes books and practices his profession. He has, however, become a popular councilor to families all over America.
