Kids to the Rescue!: First Aid Techniques for Kids Maribeth Boelts, Darwin Boelts

This simple first aid book helps kids think wisely in an emergency. Well illustrated and easy to understand, it describes accident situations that children are likely to find themselves in. The paramedic/teacher author team provides step-by-step directions for handling such common problems as cuts, bloody noses, stings, electric shock and burns. One of our most popular children's books, Kids to the Rescue! opens with a note for parents, explaining how children can practice the first aid techniques. It concludes with a first aid quiz and instructions on calling 9-1-1 and other emergency numbers. The back cover has an index so kids can easily find the page of instructions they need. Expanded and revised to cover HIV-safety.
