## **Preaching like Paul: Homiletical Wisdom for Today** James W. Thompson

In contrast with the widely popular interest in narrative styles, James Thompson shows that Paul's letters offer a different model for preaching today. He demonstrates how the manner of preaching used in the pre-Christian culture of Paul is valid and effective in our contemporary post-Christian culture. Unlike most books on preaching, this volume focuses not on technique, but on the goal of preaching--a needed missing component in contemporary homiletic discussion.
