## **Rock of Ages: The Little-Known Man Behind the Well-Known Hymn** Thomas Garrett Isham

Sadly, Augustus Toplady is not known as much as his most famous hymn 'Rock of Ages.' Thomas Isham seeks to redress that reality in his latest book. You will find out that the man who wrote this great hymn was a gifted and godly man who accomplished a great deal more than just writing a few worthy hymns that are still sung hundreds of years after his death. The man with the odd name was a true and noble champion for the Doctrines of Grace, and he did not shy away from entering the theological arena. He sought to follow the counsel of Jude who urged the people of the first century, "to contend earnestly for the faith once for all delivered to the saints." This book will bring back to life the little-known man behind the well-known hymn. Take it up and read it for your good.
