The Revelation of Jesus Christ: A Study Guide for LIFE James K. Crews

The Revelation of Jesus Christ is the final biblical prophecy of end time events which usher in the return of Jesus Christ and His eternal kingdom. Our daily news brings us timely information of how the whole world is being readied for these events to take place. The Revelation details the major events of satan's plans to rule the planet with a one-world government, a one-world religion and a one-world economic system through a charismatic leader we know as the antichrist. But this prophecy also rolls back the veils of heaven and reveals Jesus Christ as the Lion of God as He brings to fulfillment all the prophecies of the Bible. He restores justice to the world by punishing evil and personally ruling over the nations in righteousness and peace for all eternity. This Study Guide for LIFE directs readers through the complexities of this prophecy by a three-prong approach to explain what the prophecy says, what it means and how to apply it to their lives. This is done by: 1) offering explanations of our current understanding of the more difficult passages in the Revelation; 2) asking readers questions that can be answered directly from the text to focus attention on specific aspects of the prophecy; and 3) asking probing questions that encourage readers to examine their own lives with the truth that John reveals. The Study Guide is appropriate for the study efforts of individuals, small groups or a teacher preparing to explain this book. Whether you are a curious seeker or a professional minister, the Study Guide for LIFE will direct your studies into the heart of John's Revelation, but also to the very heart of Jesus Christ Himself.
