Alien Conception (The Traveler Series) Max Walker

Ryan Diaz thought his life was on track. A boring track, but a track none-the-less. He expected to keep his mind-numbing job, find a girl to marry, and then settle down in a decent sized house with decently smart kids. But, as we all know, life never follows the plans. After a night out, Ryan finds himself face to face with a man that promises to change his life forever. And this man? He happens to be an alien who sports an incredible six pack and a massive... ship. Their initial meeting not only shocks Ryan, but also awakens a part of him he never knew he had. Now, he has to come to terms with his explosive new feelings for the alien and submit to the plans fate has in store for them. Will Ryan be able to handle this new life and the challenges it brings? Or will he find that being a boring paper pusher was what he was meant to do?
