From reader reviews:

Teresa Ealy:

Playing with family in a very park, coming to see the water world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love At the Beach, it is possible to enjoy both. It is fine combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its known as reading friends.

Anna Elam:

Your reading 6th sense will not betray anyone, why because this At the Beach book written by well-known writer who knows well how to make book that can be understand by anyone who also read the book. Written in good manner for you, leaking every ideas and producing skill only for eliminate your own hunger then you still uncertainty At the Beach as good book but not only by the cover but also by the content. This is one publication that can break don't assess book by its handle, so do you still needing a different sixth sense to pick this specific!/? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Norman Brown:

Is it an individual who having spare time and then spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This At the Beach can be the response, oh how comes? It's a book you know. You are thus out of date, spending your free time by reading in this new era is common not a geek activity. So what these publications have than the others?

Marie Avis:

That reserve can make you to feel relax. This particular book At the Beach was colourful and of course has pictures around. As we know that book At the Beach has many kinds or style. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and think you are the character on there. So , not at all of book are make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading that will.
