Boundaries

Elizabeth Nunez

Boundaries Elizabeth Nunez

"Boundaries is told in spare and transcendent prose. [...] As always, Nunez delivers a unique and riveting perspective on Caribbean life as well as immigrant life in general."

--*The New York Amsterdam News*

"Many moments of elegant, overarching insight bind the personal to the collective past."

--*New York Times Book Review*

"If I wore a hat, I'd tip it to novelist Elizabeth Nunez . . . with *Boundaries*, her eighth work, the storyteller is in fine form . . . [it] is timely and provocative -- and it's written with such vivid prose that, despite the bittersweet ending, you'll step away from this refreshing take on contemporary publishing with a smile."

--*Essence*

"In Nunez's latest, the author further explores immigrant life, a life where a hard-working woman can progress up the corporate ladder, buy an apartment in a soon-to-be trendy neighborhood, and still be plagued by outsider's angst . . . A thoughtful literary novel exploring the shadows of cultural identity and the mirage of assimilation."

--*Kirkus Reviews*

"A quiet, sensitive portrait. . . This work covers a lot of ground, from mother-daughter and male-female relationships to the tensions between immigrants and the American born."

--*Library Journal*

"Nunez deftly dissects the immigrant experience in light of cultural traditions that impact family roles, professional obligations, and romantic opportunities."

--*Booklist*

"Elizabeth Nunez is one of the finest and most necessary voices in contemporary American and Caribbean fiction."

--Colum McCann, author of *Let the Great World Spin*

In an age of reality TV, a husband and wife cling to Victorian notions of privacy, though doing so threatens the life of the wife. Their daughter Anna yearns for her mother's unguarded affection, and eventually learns there is value in restraint. But Anna, a Caribbean American immigrant, finds that lesson harder to accept when, eager to assimilate in her new country, she discovers that a gap yawns between her and American-born citizens.

THE HEAD OF A SPECIALIZED IMPRINT at a major publishing house, Anna is soon challenged for her position by an ambitious upstart who accuses her of not really understanding American culture, particularly African American culture. Her job at stake, Anna turns for advice to her boyfriend Paul, a Caribbean American himself, who attempts to convince her that immigrants must accept limitations on their freedom in America.

TOLD IN SPARE AND TRANSCENDENT PROSE, *Boundaries* is a riveting immigrant story, a fascinating

look into the world of contemporary book publishing, a beautiful extension of the exploration of family dynamics that began in Nunez's previous novel *Anna In-Between*, and a heart-warming love story.

From reader reviews:

Forest Nelson:

What do you with regards to book? It is not important with you? Or just adding material when you want something to explain what your own problem? How about your extra time? Or are you busy person? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everyone has many questions above. They need to answer that question simply because just their can do that will. It said that about publication. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this kind of Boundaries to read.

Norma Lorentzen:

This Boundaries book is not really ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is actually information inside this e-book incredible fresh, you will get info which is getting deeper you actually read a lot of information you will get. This Boundaries without we comprehend teach the one who reading through it become critical in imagining and analyzing. Don't possibly be worry Boundaries can bring when you are and not make your case space or bookshelves' turn out to be full because you can have it with your lovely laptop even cell phone. This Boundaries having good arrangement in word and layout, so you will not feel uninterested in reading.

Joseph Mack:

The reason? Because this Boundaries is an unordinary book that the inside of the guide waiting for you to snap that but latter it will surprise you with the secret that inside. Reading this book next to it was fantastic author who also write the book in such amazing way makes the content interior easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of gains than the other book possess such as help improving your talent and your critical thinking approach. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.

Maria Mariani:

Your reading 6th sense will not betray you actually, why because this Boundaries reserve written by well-known writer we are excited for well how to make book which can be understand by anyone who all read the book. Written in good manner for you, leaking every ideas and composing skill only for eliminate your current hunger then you still hesitation Boundaries as good book not merely by the cover but also by content. This is one book that can break don't ascertain book by its cover, so do you still needing a different sixth sense to pick this specific!?! Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.
