If you are a mouse, then you might know about Ava and Dean Squeakerton. They are kind of famous, for mice. That's because Ava and Dean and the rest of their family live in the White House.

Ava loves airplanes. And the president's airplane, Air Force One, is the most famous of all! She and her brother Dean *need* to sneak onto that plane, which means they have to hide in the president's daughter's backpack. It's actually pretty easy (even though they get stuck with Secret Service mouse Gregory as a babysitter). But where is this plane going? They'll find out . . . up, up, and away!

Imagine *The Borrowers* let loose in the White House in this chapter book series that's sure to thrill readers who love tiny details and big fun. Bonus cool facts about presidents, the White House, and U.S. history!
