**Forever Changes** Brendan Halpin

**For a girl who doesn't have much time, every infinitesimal moment counts**

Brianna is a math whiz. She's almost certain to be admitted to MIT—that is, if she survives to see her nineteenth birthday. Brianna has cystic fibrosis, and after her friend Molly died six months ago, it's hard for Brianna to let go of the feeling that she's next. Numbers make sense to Brianna—they give her something to think about besides her own crummy odds. To her great surprise, it is in math class that she discovers the infinity that exists between eighteen and nineteen.

Poignant and true, this story of one extraordinary teenage life is riveting. With *Forever Changes*, Brendan Halpin has crafted an unparalleled protagonist who will leave an indelible mark on readers.

### From reader reviews:

#### Joseph Fulkerson:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each book has different aim or perhaps goal; it means that reserve has different type. Some people experience enjoy to spend their time to read a book. They are reading whatever they get because their hobby is actually reading a book. Consider the person who don't like reading a book? Sometime, particular person feel need book once they found difficult problem as well as exercise. Well, probably you will require this Forever Changes.

#### Wendell Radford:

Reading a publication tends to be new life style on this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the publications. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write to their book. One of them is this Forever Changes.

#### Donald Rivera:

Reading can called imagination hangout, why? Because if you are reading a book specially book entitled Forever Changes your thoughts will drift away trough every dimension, wandering in most aspect that maybe not known for but surely will end up your mind friends. Imaging each word written in a publication then become one application form conclusion and explanation that maybe you never get ahead of. The Forever Changes giving you another experience more than blown away your thoughts but also giving you useful information for your better life with this era. So now let us teach you the relaxing pattern here is your body and mind will probably be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

#### Kyle Cook:

Is it you who having spare time and then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This Forever Changes can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these books have than the others?
