Hannah Arendt: A Reinterpretation of her Political Thought

Margaret Canovan

Hannah Arendt: A Reinterpretation of her Political Thought Margaret Canovan

Margaret Canovan argues in this book that much of the published work on Arendt has been flawed by serious misunderstandings, arising from a failure to see her work in its proper context. The author shows how such misunderstanding was possible, and offers a fundamental reinterpretation, drawing on Arendt's unpublished as well as her published work, which sheds new light on most areas of her thought.
