Psychology in Everyday Life, 3rd Edition David G. Myers, C. Nathan DeWall

David Myers' briefest introduction to psychology speaks to all students regardless of their background or level of preparedness, with no assumptions made in the vocabulary, examples, or presentation. Students of all kinds are comfortable with Myers' manageable chapters, which include careful connections to associated visuals, comparative tables, and research-based pedagogy.

For this edition, there is something completely new to a Myers text: David Myers personally selected new coauthor. Nathan DeWall's enthusiasm for teaching and writing about psychological science makes him uniquely suited to join the world's bestselling psychology textbook author. And with about 30 more pages of coverage, this edition has become an even stronger and more complete introduction to the science of psychology for courses of all kinds.
