The Language of God in Prophecy, A Dynamic New Look at Bible Prophecy Using God's Symbolic Language as the Key to Understanding Dramatic Core Events ... of the Lord (The Language of God Book Series) Helena Lehman

Like its predecessors, this completely revised 19th edition of "The Language of God in Prophecy" is an explosive exploration of the parable-like images used in biblical and extra-biblical prophecies regarding the End Times. Prophecies in the Bible Codes, Ezekiel, Daniel, the Hallel Psalms, Revelation, Ethiopian Enoch, the Great Pyramid, the Great Sphinx, the Mayan Calendar, the Signs in the Heavens and a vision attributed to George Washington are explored to disclose the End-Time roles of many nations, while dismantling the false doctrines behind British Israelism and Anti-Semitism.

In addition, this book explores the Signs in the Heavens that Christ told us to watch for, including recent comet visitations, Solar Eclipses or Sackcloth Suns, and Lunar Eclipses or Blood Moons that have or will occur between 2008 and 2019. These are analyzed via the Gospel in the Stars and illustrated to reveal God's will in relation to the possible timing of many End Time events described in the Bible books of Daniel, Ezekiel and Revelation.

This book also examines the nature of the Beasts described in Daniel and Revelation and their connection to the prophetic roles of the United States, the British Commonwealth, Europe, Russia, and the Middle-East in relation to modern Israel, and challenges many mainstream prophetic notions about God's vision for the End Times. In addition, the Great Pyramid and Great Sphinx are focused on, revealing their role as symbolic repositories of the complex scientific, spiritual, and prophetic knowledge of the godly antediluvian descendants of Seth. This study reveals that the Sethites had a keen knowledge of the coming Messiah revealed in the Gospel in the Stars, and a clear picture of End Time events - long before the Bible was written.

Discover the biblical and Enochian prophecies surrounding the United States, the United Kingdom, and the European Union on the Day of the Lord that are encoded into the Bible, Great Pyramid, Great Sphinx and Gospel in the Stars. Learn about the secret meaning behind the Menorah patterns in the Bible and the Hidden Prophecies in Hallel Psalms 110 through 118 tied to the Tribulation and the End Time prophecies in Isaiah, Daniel, Ezekiel, Zachariah, Jeremiah and Revelation. Explore the prophecies in the Bible Codes, in the Star Gospel and Signs in the Heavens that Christ foretold would come such as the Solar Eclipses of 2009 and 2010 and the Blood Moons of 2014 and 2015. Discover who the Antichrist may be, the deep-seated roots of the war on terrorism, and the parallel prophecies concerning the years 2010 through 2018 in the Bible, Book of Enoch, the Great Pyramid, and the Psalms.

Finally, find out how the New World figures in Bible Prophecy, who Quetzalcoatl and Tezcatlipoca really were, what the 2012 date for the End of the World calculated by the Aztec and Mayan Calendars can reveal to us using Sacred Astronomy and the Gospel in the Stars, and the secrets of the Perseus Prophecy and the Anti-Peace Sign in Heaven on December 21st, 2012 that reveals the release of the Four Horsemen of the

Apocalypse, and warns that the beginning of the Great Tribulation with the Sixth Seal Judgment is near.

This startling view of End Time prophecy - with its urgent message that the Great Tribulation, and the end of Satan's reign on Earth may be imminent - will challenge many hardened Bible skeptics and is sure to spur a renewed interest in God, His Son, the Gospel in the Stars, and biblical prophecy.
