‘Full of quirky characters, friendship and humour, you will devour this engaging and heartwarming novel in one sitting’ – Sunday Express

Becca Fletcher has always hated Christmas but she has her reasons for being Little Miss Grinch. Now, though, she can't avoid her version of ho-ho-hell – because she's travelling to the Comfort Food Cafe to spend the festive season with her sister Laura and her family. She's expecting mulled wine, 24-hour Christmas movie marathons and all kinds of very merry torture.

Little does Becca know that the Comfort Food Cafe is like no other place on earth. Perched on a snow-covered hill, it's a place full of friendship where broken hearts can heal, new love can blossom and where Becca's Christmas miracle really could happen – if only she can let it...
