## Hopeless Savages: Break (Hopeless Savages Tp) Jen Van Meter

- All the Hopeless-Savages are back in this fourth volume of the critically-acclaimed series! Zero's in college (and hating it), though a tour with the Dusted Bunnies promises to rejuvenate her spirits — at least, that's what she's telling her therapist. But a rival band threatens to end the tour early, and without her family, Zero's in no position to fight back. Meanwhile, the rest of the Hopeless-Savages are dealing with their own problems, including babies, contracts, and drug addictions. But if there's one family who can pull it all off, it's this one.
- Stunningly illustrated by Meredith McClaren (*Hinges*), with flashbacks by original series artist Christine Norrie, this is one volume fans won't want to miss out on!
