Start & Run a Consulting Business Douglas Gray BA LLB

Consulting has become a multi-million dollar industry in North America as people put their knowledge and experience to work in small businesses. This practical step-by-step guide shows how anyone with expertise in a specific area can develop a profitable consulting business. The comprehensive discussions on all aspects of consulting will help the entrepreneur to get over that first hurdle of starting their business and direct them toward a successful and profitable marketing plan. This new edition includes a CD-ROM with worksheets and checklists that can be customized for different consulting businesses. The book addresses key topics applicable to start-up consultants. Highlights of the CD-ROM: * Formal consulting contract* Letter of agreement* Cash flow budget* Time and service record* Web resources* Bonus business forms

From reader reviews:

Jessie Lloyd:

Book is usually written, printed, or highlighted for everything. You can recognize everything you want by a reserve. Book has a different type. As it is known to us that book is important point to bring us around the world. Adjacent to that you can your reading proficiency was fluently. A e-book Start & Run a Consulting Business will make you to possibly be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that will open or reading any book make you bored. It is far from make you fun. Why they are often thought like that? Have you trying to find best book or acceptable book with you?

Leslie Heidelberg:

Playing with family inside a park, coming to see the sea world or hanging out with friends is thing that usually you could have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Start & Run a Consulting Business, you could enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't get it, oh come on its identified as reading friends.

Rachel Leadbetter:

Do you one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you just dont know the inside because don't evaluate book by its deal with may doesn't work is difficult job because you are frightened that the inside maybe not as fantastic as in the outside appearance likes. Maybe you answer might be Start & Run a Consulting Business why because the amazing cover that make you consider concerning the content will not disappoint you. The inside or content is actually fantastic as the outside or maybe cover. Your reading sixth sense will directly show you to pick up this book.

Ann Craft:

Reading a book being new life style in this calendar year; every people loves to go through a book. When you read a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you wish to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, and also soon. The Start & Run a Consulting Business will give you a new experience in examining a book.
