What's your drink of choice? Is it a small pumpkin spice latte? Then you're lots of fun and a bit sassy. Or a medium americano? You prefer simplicity in life. Or perhaps it's a small decaf soy sugar-free hazelnut caffe latte? Some might call you a yuppie. Seventeen-year-old barista Jane Turner has this theory that you can tell a lot about a person by their regular coffee drink. She scribbles it all down in a notebook and calls it Espressoology. So it's not a totally crazy idea when Jane starts hooking up some of her friends based on their coffee orders. Like her best friend, Em, a medium hot chocolate, and Cam, a toffee nut latte. But when her boss, Derek, gets wind of Jane's Espressoology, he makes it an in-store holiday promotion, promising customers their perfect matches for the price of their favorite coffee. Things are going better than Derek could ever have hoped, so why is Jane so freaked out? Does it have anything to do with Em dating Cam? She's the one who set them up! She should be happy for them, right?
