The Root of War Is Fear: Thomas Merton's Advice to Peacemakers Jim Forest

"A field manual for courage and hopefulness in a time of desperation." --Christopher Pramuk, author of Sophia: The Hidden Christ of Thomas Merton

Thomas Merton, the Trappist monk who died in 1968, is one of the most influential religious figures of modern times. Yet many readers remain unaware of his deep preoccupation with the theme of peace from his early stance as a conscientious objector to his prophetic writings on nuclear war and nonviolence. Drawing in large part on the letters Jim Forest received from Merton, this book offers spiritual encouragement and guidance for those engaged in efforts today to rid the world of war and violence.
