Her mission is to get close to him for inside information. His mission is to kidnap her for a supernatural militant group.

Recruited in her teens for a life of espionage, Julia Caldwell, now 19, is the youngest CIA agent on record. Her mission is simple: get close to Cole Thomas for intel on his father, a known and dangerous weapons dealer. As she grows closer to Cole, something is off. He might not be who she thinks he is. And worse, his mission will put an end to hers.

Always believing the government's story that her purpose in life was to keep the world safe, Julia doesn't know who to trust or who to believe. But now, THE SWAY has a different story—a different purpose for her—that goes well beyond all she ever imagined.
