American Demand for Office Furniture Thomas McCormack

This reference work provides an in-depth analysis of the American office furniture market. We distinguish between numerous product categories, including wooden furniture, metal furniture, chairs, ergonomic products, furniture systems, space dividers, and more. Corporate clients are segregated and analyzed according to geographic location, their industry affiliation and size, as well as the occupation sex and age of the end-users. The study deals with new trends and the changing environment in modern offices. Forecasts are provided to 2002. A full index is provided for easy referencing.
