Ancient Knights (Book #8 of the Sage Saga) Julius St. Clair

With relations between Paragon and the Sages ruined, James seeks out alternative ways to win against the Cimmerian threat and bring the Solons to his side. Understanding his limitations and with time running short, he seeks out the help of warriors past - ancient knights that have been around since the beginning of time. But he soon learns that there is a reason for their disappearance, and their rising may only upset the balance. Meanwhile, Chloe and Kyran deal with the fallout from the events of Rise of the Sages, and Bastion begins to feel the consequences of his world-altering decisions. Catherine struggles not to change drastically in the new world and Remi's actions (from the Sorcerer's Ring) begins to affect Paragon at large. The Sage Saga continues in this sweeping tale of romance, political intrigue, betrayals, ancient knights, supernatural warriors, grand landscapes and powerful villains.
