My mount needed considerable encouragement. As we finally got into gear, I put up my pink parasol with a pop, frightening the donkey so much that we nearly got to the top at full gallop. Who else but Lydia Laube would climb the Great Wall of China on a donkey waving a pink parasol? *Slow Boat to Mongolia* is a hilarious account of her travels by ship, train and bone-shaking bus through Indonesia and China on her way to the almost mythical Outer Mongolia. The intrepid author of *Behind the Veil* and *The Long Way Home* returns with her most adventurous tale yet.
