## **Winning Time** L.L. Conrad

In this pair of erotic thrillers, author L. L. Conrad presents two new tales from her Time series. **Blind Winners** Nearly blinded on the job, former police officer Steven Harton has given up on life and stopped answering phone calls or e-mails from his family. His brother contacts nurse Janette Taylor, a childhood acquaintance, to check on him. She begins the process of helping him take care of himself. But when gang members come to take Steven out, fear of the threat to Jan helps him know just how much she means to him. **Losers and Winners** Braedon Stoward has endured extreme physical torture, kept near death by his tormentors for months. Now returned to his family's estate in England, he fully expects to die. His mother brings in Janette as a last attempt to save him. Over several months, she slowly brings him back to himself, helping him heal. But when she suddenly goes missing, Braedon must combine resources with a man from Jan's past to find the one woman who made them both whole.
